The Hawaii State Department of Health is presently considering your application for a National Pollutant Discharge Elimination System (NPDES) permit to discharge into waters of the United States.

We consider your NPDES application for the following facility to be complete and are currently processing the application which has been assigned the following identification number _____.

You will be notified prior to _____ of approval, conditional approval, or denial of your application by the Department unless additional information is required for our evaluation. If additional information is required, you will be notified of our decision within thirty (30) days from the submittal date of the additional information.

If you have any questions, please contact the Pollution Technical Review Branch at 548-6410.

Very sincerely,

WALTER B. QUISENBERRY, M.D.
Director of Health
